

You've Been BOO'd!

It's that time of year
For tricks and for treats
This message has cheer
We hope you'll repeat.

This ghost is for you
To post on display
But first print out two
So others can play.

Boo two more teachers
When no one's around
And see them smile when
your treat has been found

As you walk through the halls
You'll see just who's who
From the ghosts on the walls
You'll know who's been boo'd.

A fun little game
That's easy to do
You could make someone's day
And share a treat, too!

It's no trick...it's just a fun treat
brought to you by Carson-Dellosa!

Pass it on...you know you want to! Boo two teachers
with our friendly ghost and a little candy treat.
The best way to brighten your day is to make
someone else smile!
